To whom it may concern,

Organizers of the Festival "Days of Brazil – Novi Sad Samba Carnival" (short in Serbian "Dani Brazila") NGO "Artkor" from Novi Sad, Serbia, would like to invite *Ms. Naiara Gonçalves de Almeida* to take part in the organization of the Festival "Dani Brazila". This festival is one of a kind in the region of South East Europe bringing for three years in a row 10 000 samba and Brazilian culture lovers from the region and all over the world. Furthermore, Novi Sad is the city that nurtures Brazilian culture as one of the first cities in the region having samba bateria and samba festival.

The Festival "Dani Brazila" is being organized for the forth time this year in Novi Sad, Serbia from August 16 to 18 2013. Last year it became official City Carnival Festival supported by City Office for Culture, Provincial Secretariat for Culture and other important institutions and sponsors.

Ms. Almeida performed at the Festival last year when the organizers had a chance to meet her and realise how valuable imputs form brazilian native are in creating and organizing this kind of event. The band Naiara Lira performed at Dani Brazila Festival and made beautiful performance very well accepted by the audience. This year would like to invite Ms Almeida again in order to continue our cooperation and exchange not only trough band performance but trough her involvement in workshops, lectures, exhibitions and other programs we organize as a part of this festival. Understanding that everyone of them have precious skills to share, this time our invitation is for her and her team to be with us for 3 months, from june to september.

As Festival grows every year we think it is apropriet to have a press officer fallowing the band to document all of their activities during the time they will be here as well as Festival and promote it in Brazilian press afterwards.
